Dinner Dance: Mary will send an email to look for someone to chair the event. Has been at Casa Bianca for the last two years we should revisit the Jefferson House or Bowling Green.

Marching Band

Chaperones: If anyone needs an EPIPen or asthma inhaler they should have it with them at all times. We have had several emergencies. Chaperones need to actually supervise the students. Important medical information should be given to Rich Barrieres to have at trips. This may be a school related issue with confidentiality, etc...

Home Game Snacks: 10/14 Guard, 10/28 Pit & Drum Line, Hot chocolate in cabinet. We have had great support & volunteers.

Falcons Nest/Blankets: Blankets are \$40 each. We will get a discount if band parents work in the Falcon's Nest (\$30 each).

Senior Recognition: We have 12 Seniors on 10/28 they will walk out with parents.

Ongoing Business – Rich Barrieres would like the money from selling tickets for competitions to go toward Coach busses so ad money due to the band parents less the money that goes into individual childrens accounts. We will then receive the money back now instead of having it tied up in student activites. We will collect so checks should be made payable to Band Parents.

The **Band trip** is tentatively planned for Memorial Day weekend. The dinner dance is usually friday that weekend. We will look for a June night as well. A chairperson is urgently needed for this event

BY Law Amendment: The Treasurer's position has changed only by adding one line regarding taxfiling, see agenda for the change. Sharon motioned to accept the change Tanya seconded.

Name change: Non profit process has begun. Mr. B told Mr. Mundi we are going forward.

Scholarship Awards are only valid until December 31st of the award year This is noted in the scholarship letter. Donna Staccioli will contact those students who haven't submitted receipts
