

Dear Parents,

The Jefferson Township High School Band Parents Association (BPA) is an organization of parents who support the Jefferson Twp. High School instrumental music program through volunteering time and energy. We actively encourage our children to pursue music because it enhances learning across all disciplines. We help develop pride in the band program and build self-esteem by recognizing and rewarding the hard work that goes into each performance. BPA is also a great way to stay involved in your children's activities because there are many opportunities for you to participate, as well.

Attached is a membership form, and below we have listed just some of the ways that we support the Symphonic, Wind, Jazz and Marching Bands. Please show your support by joining our organization and volunteering to help in any way you can.

**BPA Benefits to Symphonic, Wind, and Jazz Bands include:**
